## August 2020 Newsletter

August brings no change to our Covid business model. For the safety of our staff and clients we are continuing curbside visits and credit card payments.

### Let's Do Something *Fun!*

Send a 10 second video of your cat doing something quarantine related to us at [brickcitycat@gmail.com](mailto:brickcitycat@gmail.com). We'll put the top videos on our facebook page.

*Dr. Salpeter recommends: Steve Dale, a certified animal behavior consultant (CABC), who has reached more pet owners over the past few decades than any other pet journalist in America.*

## ***Funny Cat Names***

### **Meowy Poppins**

When it comes to naming your cat, This isn't just a super idea, it's a supercalifragilisticexpialidocious idea! Also, much like their namesake, we guarantee that Meowy Poppins will love bags.

### **Snugglebutt**

This funny cat name is just the facts, ma'am. Every cat owner knows that all cats want to do is snuggle (and by snuggle we often mean put their butts in your face). So why not just name your kitty the truth?

### **Purrogi**

For when your cat is so cute you want to eat her up with a side of sour cream.

### **Aaron Purr**

Yes, Aaron Burr Jr., the third vice president of these United States, became infamous when he shot and killed former Treasury Secretary Alexander Hamilton. But also, he is the only character from Lin-Manuel Miranda's musical juggernaut "Hamilton" whose name has a cat pun in it, so here we are.

### **Sir Meows-A-Lot**

Oh my god, Becky. What does this cat want? Perfect for a cat who's always meowing!
